PURCHASE ORDER / CONTRACT AGREEMENT

The purchase order is the simplest form of contract for procurement between the procuring entity and the supplier. It is used to form a contract by accepting the successful bidder's quotation, where no contract award notice or detailed contract document is required. The purchase order defines the goods to be supplied, the price to be paid for the goods, works or services and the delivery period required.

2 The purchase order shall carry the following information:

- the name of the supplier;
- the date of issue of the Purchase Order;
- the delivery address;
- the name of the procuring entity purchasing the items;
- the Requisition Number;
- the Purchase Order Number;
- the quantity of each item required;
- any part or pattern number for each item;
- a brief description of each item;
- the unit cost or rate for each item; and
- the delivery period and whether the delivery is to be made in lots.

3. For detailed contract agreement, use the General Conditions of Contract, provided herein.
